OBJECTIVE

Quick-learning junior developer transitioning from work including chemical manufacturing, research and development, patent drafting and service engineering. I enjoy collaborative work with people from a variety of backgrounds.

PROFESSIONAL EXPERIENCE

Field Service Engineer January 2018-November 2018

Centrotherm Clean Solutions — Hillsboro, OR

- Support American and German sales and engineering teams.
- Provide technical support during installation, start-up and ramp-up of chemical abatement technologies.
- Develop and maintain customer satisfaction and good customer relations.

Technical Specialist

June 2016-November 2017

McCoy Russell LLP — Portland, OR

- Provide scientific and technical consultation across a wide variety of subjects.
- Draft patent applications and other documents related to patent prosecution.

Research and Development Technician

June 2014-June 2016

Fujimi Corporation — Tualatin, OR

- Collaborate with research groups to develop new chemical-mechanical planarization (CMP) slurries for a variety of thin film polishing.

Lab Technician

May 2012-June 2014

TOK America — Hillsboro, OR

- Maintain, execute, and design analytical methods for analysis of clean solution, photo resist, and developer product.

EDUCATION

Epicodus, Ruby/React Track, 2019

- Completed full-time, 27-week program in web and open-source development.
- Worked

Bachelor of Arts, Chemistry, Reed College, Portland, OR, Class of 2012

- Four year degree including advanced synthetic organic chemistry.
- Conducted independent research as part of senior thesis.
- Organized annual Renn Fayre music and arts festival during junior year.

COMMUNITY SERVICE

Portland City Squash League, President

January 2015-Present

- Attend regular meetings and manage the finances and promotion of the league.
- Promote local amateur and professional tournaments.

S1 Portland

March 2015-Present

- Work as *Staff Member* at a nonprofit artist-run center for contemporary art.
- Assist with art installations, finances, and events management.
